

# DIRECTIONS

**From Hwy 290** - *Most GPSs will take you out Fitzhugh Rd. But it is long, curvy (beautiful), but some folks may not like the curves and hills, and it is longer/slower.*

We recommend driving through Dripping Springs (watch the speed limit changes) and taking a right on McGregor Lane (from 290); continue North to Fitzhugh Road. Take a right, and an immediate left, and continue on McGregor Lane.

**When you see this intersection, continue on McGregor Lane to the left and toward the winery for 1.8 more miles.**

**Hill Country Casitas will be on your right just before Norwood Lane and Hawks Shadow Winery.**

**From Fitzhugh Road via RR12** Take a right on McGregor Lane, if heading west

**From Johnson City/Hwy 281:** Take a left on McGregor Lane, if heading east

**Once at Hill Country Casitas,** enter through the **green ranch gate** (entry to the left). You will be on Willie Way.

**For Casita #1** - 2nd turn in on the right (1st is the Well). This is *Honeymoon Hill*.

**For Casitas #2-#3** - take your 3rd right and an immediate right up a slight hill – this is *The Ridge*

**For Casitas #4-#7** - take your 3rd right off Willie Way and go straight – this is *The Row*

**For Casitas #8-#10** - continue on Willie Way to *The Mesa*. The first cedar-sided Casita you see is #8, then Casita #9. For #10, park between #8 and #9 and follow the foot path to #10.

**The Retreat** is on your right next to Casita #8

**For the Office, Pavilion & LaCapilla** – from Willie Way, take a left down the hill just before Casita #8

**For THE RANCH HOUSE**—continue 3/10 of a mile past the Hill Country Casitas

Entrance. The Ranch House will be on your right at 7700 McGregor Lane at C-View Ranch.

Once through the gate, take an immediate right and you will see The Ranch House.
